## ABOUT THE SCHOOL

Bishop Remigius School is administered by a Christian minority society namely the R. C. Diocese of Kottar, Nagercoil, Tamilnadu. This school was started as a souvenir of the Episcopal Silver Jubilee of Most Rev. Dr. Peter Remigius, Bishop of Kottar. This school is giving education to the students belonging to all religions especially, the students of Christian Minority. Bishop of Kottar Diocese is the chairman of the school. Though we are administering many government aided schools and self-financing schools, we do not have any CBSE school in this locality. This is the first CBSE school started by the R. C. Diocese of Kottar.

This school is situated in the heart of Nagercoil Town, the capital of Kanyakumari District. There has been a repeated demand from the people that we should have a CBSE School in this locality. Though there are people working in Central Government organisations, it is very important to note that people having Central Government jobs are very less. To get in to premier institutes such as IIT, IIM, NIT, AIIMS or into any other Higher Educational Institutions belonging to Central Government, we need a central school to fulfil the aspiration of the people living in this locality. As the world is becoming more and more competitive in nature, we need to prepare the students for facing today's challenges. For this purpose we have started this Senior Secondary School which is affiliated to the Central Board of Secondary Education, New Delhi.

ABOUT THE SCHOOL

Education is the most powerful weapon which can change the world

## CORE VALUES & BELIEFS

### **Building Leadership :**

At the Bishop's School we believe in building leadership skills by developing each child's personality and discovering his or her potential. Leadership programmes at the school help make children confident and future ready.

### **Lifelong Learning :**

Children are taught to adapt creatively to meet the demands of the future . We encourage them to be flexible in their thinking and use technology to explore and inquire , so that they become keen learners for life.

### **Innovation :**

Time demands change in attitude concerns and perspectives. Things relevant today may not be so in the future. It is critical for us to constantly innovate and keep educational deliveries in touch with current realities.

### **Every Stakeholder Counts :**

We understand the changing needs of students and respond by creating appropriate educational programmes. Special care is taken to ensure the satisfaction, development and well-being of teachers. Parents are partners in everything we do.

### **One with Nature :**

In tune with nature, we the school, the students and the staff, as a larger community have a responsibility to the world around us. We do and employ eco-friendly practices. Children learn green, energy saving practices, and create awareness all over the school.

CORE VALUES & BELIEFS

Education is the key to unlock the golden door of freedom

## THE SCHOOL SYSTEM

**The Prefectorial System :** The school is divided into various houses that depict the true Indian ethics. These houses will have various Competitions to foster a spirit of willingness, self esteem and self confidence. There will be an investiture ceremony held at the beginning of every year to honour the captains and vice captains of the houses.

**The Mentor System :** The school appoints academic mentors who are always there to see to each individual's continuous development and growth. There is also a counselor to guide each student.

**The Leadership System :** Students are exposed to various club activities such as the International award for young people, Interact club, National Green corps, Scout & Guides programme etc. Leadership qualities are developed through these club activities.

**The Pedagogy System :** Our academic faculty is chosen from amongst the best in the academic qualification with an impeccable academic record. The school follows the best pedagogical system.

**Parent Teacher's Meeting :** Parents can have periodical meeting with the teachers, coordinators and the principal to know about their child's continuous comprehensive evaluation and progress. These meetings are arranged soon after the exams. These activities are strengthened through Parent Teacher Association.

**School Management Committee :** The School Management Committee is formed in our school according to the stipulations laid down by the RTE Act 2009. Bishop of Kottar Diocese is the Chairman of the School Management Committee.

THE SCHOOL SYSTEM

Education's purpose is to replace an empty mind with open one.

## SKILL DEVELOPMENT

### **Linguistic Development :**

To develop the students' communication skills and increase their command of language. This is developed through English and at least two additional languages.

### **Mathematical Development :**

To teach students how to calculate and appreciate relationships in number and space as well as to think logically and express themselves clearly. This is developed through Mathematics.

### **Social Development :**

To teach students about people and their interaction with the environment and how human action has influenced events and conditions. This is developed through Social Studies.

### **Physical Development :**

To teach the basic principles of fitness and health and to develop students' physical control and coordination. This is developed through Games and Physical Education.

### **Creative Development :**

To develop the students' aesthetic and creative skills. This is developed through Art, Drama and Music.

### **Spiritual Development :**

To develop the students' self-knowledge, self-esteem and self -confidence so that they can contribute to community life. This is developed through Catechism and Moral Studies.

SKILL DEVELOPMENT

The beautiful thing about learning is that no one can take it away from you.

## CO-SCHOLASTIC ACTIVITIES
